

**McCLAIN COUNTY FLOODPLAIN BOARD
MINUTES
Public Meeting 9/9/14**

McClain County Floodplain Board failed to meet due to lack of quorum.

Mr. Kevin Wingate attended. The only agenda item was a request by Enable Gas Transmission, LLC (Bradley Lateral Project) to construct a 24" natural gas pipeline within the county, part of which lies within a SFHA. Mr. Wingate asked if our county regulations covered this type of project and Mr. Cravens replied that they do. He asked if the company was willing to abide by those regulations and Mr. Cravens replied that they would. Mr. Wingate suggested that this request would not, then, require board action so long as the permit reflected the restrictions. Mr. Cravens called the chair, Mr. Terry Daniel, who concurred. Mr. Cravens will issue the permit with restrictions.
