- Applicant agrees to all County and State regulations, conditions, and covenants for road crossings and paralleling roadways.
- Applicant agrees to remove any felled trees, brush, or chips. Burning on site, in a floodplain, is not permitted. Trees may not be removed without indicating their removal on the Application for Development and the removal being approved.
- The original shape and contour of the floodplain or floodway must be maintained.
- The addition of rip-rap for stabilization must be approved by Natural Resource Conservation Service.

Attach a copy of your permit from McClain County for Public Service/Pipeline Crossing.
