Comments:	

Any road or driveway you develop is not a McClain County Road, and will not be maintained by the County. All roads dedicated to McClain County must be for public use, and be accepted by the Board of Commissioners. The Board of County Commissioners reserves the right to accept or reject any road for Public Dedication and determine the conditions that will apply. When you attach to a McClain County-maintained Road, the County will maintain only the county road and drainage for the county road. When replacing a tin horn to restore drainage for the county road, the County will not be responsible for any road surface upgrade past gravel.
